The Silverback Consulting Group

“I now see it was our lack of Daily, Quarterly and Annual Operating Procedure that kept me up at night. Everything else fell into place.”

Have you recently completed a compliance examination that included Information Technology?

Have an examination scheduled soon?

Silverback is a Technology Service Provider centrally located in Indianapolis, Indiana. We specialize in Network Hardware and Software Implementation and Security Review. Our Information Technology Services are targeted toward Financial Institutions, State Government, Educational, and Health Care Industries. We focus on Technology in relation to Government Compliance and Third Party Examination.

You deserve honest and secure third party technology support. The “IT Department”, managed internally or outsourced, cannot exist without well defined Daily, Quarterly and Annual Operating Procedure.

Quarterly Compliance Program

The Path to Secure Technology and Compliance is Clear...

Silverback’s Quarterly Technology Compliance Program offers several ways for you to participate. Our Compliance Program consists of a series of Internal IT Audits, Security Assessments, and Board Reports. Our Quarterly Technology Compliance Program places you on the fast track to safe and sound IT practices and prepares you for FDIC, OTS, or HIPAA examination.

Staffing Solutions

Outsourcing your internal Information Technology function to Silverback can improve efficiency while reducing operating costs and allowing you to concentrate on your core Business process. You will be pleased with our Service Plans and Rate!

Industry Knowledge and Experience make the Silverback Consulting Group a Powerful Technology Partner.
